

## Tennis Coaching Report 2025

The Coaching Programme continued to grow and expand throughout 2025 to cater for the high demand for places on both the Junior and Adult Courses.

The Junior Coaching Programme comprised of 12 weekly Junior Courses catering for all ages and abilities. The Mini Tennis Red Courses for our youngest players at the Club took place in the excellent sports hall at Cringleford Primary School every Tuesday afternoon and evening.

All of the courses on the Junior Coaching Programme were fully booked throughout the year, with over 100 children participating on the termly courses and holiday events.

There were over 70 WTC Junior Members throughout the year.

I organised Holiday camps and courses during the school holidays and all of these were very popular and fully booked!

It is one of the largest Junior Coaching Programmes in Norfolk.

Our Mini Tennis Red 8 and Under Team took part in a series of Norfolk Mini Tennis Events at David Lloyd in Norwich in October and November.

In the first tournament, our 8 and Under team were the Runners-up.

And, in the second tournament, our 8 and Under team played brilliantly and we were the CHAMPIONS!

The Adult Coaching Programme continued to develop throughout 2025. Our Rusty Rackets Courses were fully booked and they were hugely successful. I also organised weekly Beginner and Improver Courses during the year.

Sam's Cardio Tennis sessions were once again incredibly popular and the weekly sessions were always fully booked.

During the Summer, the Club held a very successful Open Afternoon, as part of the LTA Big Tennis Weekends with over 40 people attending the event.

We had several families join the junior and adult coaching programmes from the Open Afternoon.

We held a Babolat Racket Demo Afternoon on the 6th August which was very successful with over 30 juniors and adults attending the event.

We were the only tennis club in Norfolk to be selected to hold a Babolat Racket Demo Event.

I would like to take this opportunity to say an enormous thank you to Sam for all his help, hard work and dedication on the coaching programme. And, another huge thank you to Sue, Roger and the Committee for all their help and support during 2025.
